Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claim 28 is rejected under 35 U.S.C. 102(b) as being anticipated by JP 2000-302011.

JP '011 shows a belt spool (16), a belt tensioner (20), a cylinder, a piston guided displaceably in said cylinder, and a pinion (22), a driven element (i.e., a belt spool) being driven by said pinion (22); and wherein said piston being provided with teeth (30) which can engage into said pinion in order to rotate said pinion upon displacement of said piston, and having at least one deformable element (24) which prevents blocking when said teeth enter into engagement with said pinion, wherein said deformable element is secured to and moves with said piston when engaged, see figures 1-2.

Response to Arguments

Claims 1-11, 15-17, and 19 have been canceled.

Claims 27-28 have been added.

Applicant's arguments, see pages 6-7, filed 11/2/05, with respect to claims 12-13 have been fully considered and are persuasive. The rejection of JP 2000-313311 & JP 2000-302011 has been withdrawn.

Allowable Subject Matter

Claims 12-14, 18, 20-27 are allowed.

Conclusion

The added claim 28 necessitated the new grounds of rejection.

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
